

Meet the BioCity Turku Research Programs

BIOCITY TURKU
BIOCITY TURKU
BIOCITY TURKU
ACADEMIC EXCELLENCE IN LIFE SCIENCE AND MEDICINE

February 14th at 09:00-13:00

On-site event

in Presidentti auditorium, BioCity

What is BioCity Turku and what do they do?

What are BioCity Turku Research Programs?

Could I find ideas for new collaborative projects?

Come and join us for this half-day event to network and get familiar with BioCity Turku researchers' community. There is one-hour poster session presenting the Research Programs' work, which gives you time to network with other participants with drinks and snacks. The event is open for everyone interested!

Please register to the event at latest Monday 6 February:

<https://link.webropolsurveys.com/S/05DB43E2BDA7ABA8>

If you would like to join the event after the registration is closed, please contact Maija Lespinasse (biocityturku@bioscience.fi)

Welcome!
