

The Finnish
Society for
Bioinformatics

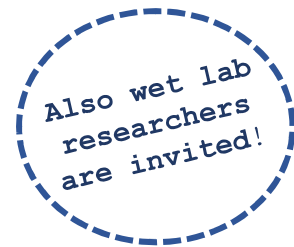

ComplifeSci
BioCity Turku

Proudly join forces to organize

Bioinformatics Day

6th of June 2025

Cave Auditorium from 9am - 4 pm
Visitor and Innovation Centre Joki
Circus rooftop from 4 pm - late
Networking event at Electro City

Keynote speakers

Prof. Liisa Holm
University of Helsinki
Department of Biological and
Environmental Sciences

Prof. Tero Aittokallio
University of Oslo
Centre for Biostatistics and
Epidemiology

Register now!

Abstract deadlines:
May 6th for talks
May 22nd for posters

Program:

For bioinformaticians:

```
list("Finnish Society for Bioinformatics",
     "ComplifeSci",
     "# Key Note Speakers" = 2,
     "# Talks from Abstracts" = 9,
     "Total Poster Sessions" = 3,
     "Amount of Networking" = Inf,
     # and most importantly:
     "You!") -> bioinformatics_day

if ("You!" %in% bioinformatics_day) {
  print("🍷")
} else {
  # (Be there || be 2)
  append("You!", bioinformatics_day)
}
```

Wet lab translation:

- ✓ 2 keynote speakers
- ✓ 9 talks selected from abstracts
- ✓ 3 poster sessions with coffee
- ✓ Many possibilities for networking
- ✓ Almost 100 attendees

What a fantastic opportunity to
present your computational or wet lab
work in a poster or a talk!
