

THE VIIITH ANNUAL BIO CITY SYMPOSIUM

Structure and Folding.

SEPTEMBER 11TH AND 12TH, 1997
MAUNO KOIVISTO CENTRE, BIO CITY,
TURKU, FINLAND

Protein structures
Structural studies of protein folding in vivo and in vitro
Structural analysis and structural stability
Structural prediction
Poster Session
Symposium Banquet

Speakers

Pat Argos, EMBL Heidelberg
Tom Blundell, University of Cambridge
Richard Henderson, MRC Cambridge
John Hunt, University of Texas
Rudolf Ladenstein, Karolinska Institutet
John Moult, University of Maryland
John Overington, Pfizer Central Research
Laurence Pearl, University of London
Fred Richards, Yale University
Helen Saibil, University of London
Andrej Sali, Rockefeller University
Willie Taylor, University of London
John Walker, MRC Cambridge
