## Instructions for the BioCity Symposium poster abstract and poster sessions

Students and researchers are encouraged to present their life science and molecular medicine related research results at the poster sessions.

### When preparing the abstract

- Save the abstract in **PDF-format**, using your surname as the file name.
- Use Times New Roman in the body text, single spacing, 12 points font.
- The presenting author should be underlined.
- Abstracts exceeding the word limit 250-350 (longer than one A4) will not be accepted
- The best abstracts will be presented orally in the Symposium. The authors of the chosen abstracts will be informed during July.
- List of authors and the title of the abstract will be printed in the symposium booklet. The abstract text is only used to select the oral presentations and will not be published.
- A maximum of 120 abstracts are accepted according to the receiving order.
- Abstracts can be submitted when registering to the Symposium.
- DL for abstract submission is beginning of June. Please check the exact date from the event web pages: https://biocityturku.fi/biocity-symposium/

### Poster

- The poster size is width 84 cm and height 116 cm.
- The presenting author should be underlined.

### Poster session

- Poster sessions are divided into session A and session B. Posters with odd number belong to group A and posters with even number belong to group B.
- The presenting author should be available for discussions during the session where the poster belongs to.
- Authors are informed at latest beginning of August on which session their poster belongs to.
